

Brisbane Village Helping Hands Volunteer Introduction

Dear Friends of Brisbane Village Helping Hands,

Thank you for your interest in becoming a Brisbane Village Helping Hands Volunteer. We recognize the value of your time and we will do everything we can to make your volunteer experiences gratifying and fulfilling. Our Volunteers play a vital role in carrying out the mission of the Brisbane Village Helping Hands to be a resource to help residents stay in their homes as they age in place in Brisbane, maintain a connection with the broader community and access needed services.

The Members that you will be serving may include those who are frail and/or otherwise dependent upon others. Please note that all Volunteers will be required to complete a background screening and proof of completed COVID-19 vaccination, and that references will be verified. This is to protect both the Member, and you, the Volunteer. BVHH has selected Sterling Volunteers to coordinate the screenings and to guarantee the confidentiality and security of the information submitted by our volunteers. In addition, our Volunteer drivers must provide proof of valid driver license and auto liability insurance.

Please complete these documents:

1. Volunteer Information Form
2. Volunteer Opportunities Form
3. Volunteer Confidentially Agreement and Liability Waiver
4. Communicable Disease Waiver

(These forms can also be found on our website, www.brisbanevillage.org.)

Please return these documents to brisbanevillagehelpinghands@gmail.com or mail to:

Brisbane Village Helping Hands
P.O. Box 734
Brisbane, CA 94005

Thank you in advance. We look forward to welcoming you to the Brisbane Village Helping Hands Community!
